# CHOOSE FROM THESE STAND CONSTRUCTION OPTIONS

## YOU CONSTRUCT YOUR OWN STAND:

You reserve the stand space of your choice and take care of constructing the stand yourself.

## YOU CHOOSE A FULL-SERVICE STAND PACKAGE:

Take your pick from our fantastic all-inclusive packages, which offer you the choice between a range of stand sizes and various fittings.

You won't need to worry about setting up and dismantling your stand either, as those services are included in all of the packages. Your stand will be ready to go—at a fixed price.

## DESIGN

- Sustainable oak stand with 4 m height. Basic wood design Expo system full oak, made of 95 x 95 mm cross-section oak stands and oak frames grooved and milled: all metal connections with tainless steel bolts not visibly milled and mounted.
