International Pavilion 2023

Tying in with a successful first edition, with nine international exhibitors and over 100 square meters, Messe München will again organize the **International Pavilion at electronica India and productronica India 2023**.

The International Pavilion is a measure, launched in 2019 by the electronica India and productronica India management of Messe München, to support companies from countries from all over the world to gain access to the Indian market.

This offer addresses exclusively to companies, which do not have the opportunity to take part in a national or regional pavilion and are not granted governmental support from their own country/region.

Your benefits

- ✓ Step into the **promising Indian electronics market**
- ✓ Present your company at the **leading trade fairs for the electronics sector in India and South-East Asia**
- ✓ Enjoy **easy first steps** in the Indian market in the frame of the International Pavilion
- ✓ Take advantage of our **costs-efficient offer** and exclusive package
- ✓ **Increase your visibility** under the branded roof of the International Pavilion
- ✓ Count on our **comprehensive and individual support** before and during the shows

The design
