15 - 17 June 2026

Suntec Singapore Convention & Exhibition Centre

The Future of Real Estate is Here

Join the PropTech Pavilion @ EXPO REAL Asia Pacific 2026!

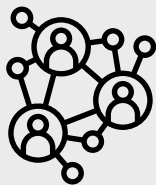

The Asia Pacific (APAC) region is home over half the world's urban population, set to reach 3.5 billion by 2050*. With rapid growth comes rising demand for smarter, greener, and tech-driven real estate solutions. The **PropTech Pavilion at EXPO REAL Asia Pacific** is your platform to showcase innovations transforming the real estate value chain. Whether you're a startup or scaling innovator, connect with top developers, investors, and city leaders looking for solutions across APAC.

**United Nations, 2024*

Opportunities at PropTech Pavilion

Position your brand in a dedicated PropTech zone showcasing smart, sustainable urban solutions.

Connect with leaders and buyers actively sourcing scalable tech across real estate and infrastructure.

Showcase your innovation via panels and case studies shaping future-ready development.

Capture demand in APAC's fast-growing PropTech market powered by ESG & digitalisation.
