## DETAILS FOYER GROUND FLOOR

including technical specifications

Areas/rooms	Area in m <sup>2</sup>
Foyer Ground Floor	4,850 (North: 2,530, South: 2,275)

### Communicative Heart with a Sophisticated Atmosphere

Our elegant foyer with natural stone flooring serves as the communicative heart of your event. Your guests can reach the ground-floor halls and rooms directly from several entrances arranged in a star-shape layout. A special highlight: we can divide the Foyer. Thanks to this feature, you can have your own reception area, even for a smaller event.

### Specifications
