LOPEC exhibition and conference under one roof

LOPEC Exhibition

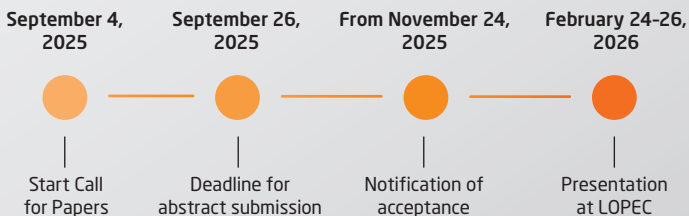

LOPEC is the world's leading industry event for flexible, organic and printed electronics that successfully combines technology and business. As a global platform, LOPEC offers companies across the entire sector support in every aspect of the industry, from research to application. LOPEC connects, inspires and puts ideas into practice. It brings printed electronics to life.

LOPEC Conference

Successful business models, new findings, results and products from research and business, exciting contributions and discussions with well-known speakers: The LOPEC Conference offers this and much more—the perfect opportunity for a comprehensive knowledge transfer. The division into different conference modules allows a precise coordination of your visit with individual interests.
