

Short CV – Dr. Lara JABBOUR

Head of Laboratory – Printed and hybrid electronics @ CEA-Liten

Dr. Lara JABBOUR holds an Engineering degree in Materials Science from Politecnico di Torino, Italy, a Master of Science in Polymers for Advanced Technologies, and a PhD in Materials Science from Université Grenoble Alpes, France.

She has worked as a researcher and project manager in both the public and private sectors in France and the UK. Her work has focused on the development and pre-industrial scaling of innovative materials and processes. She has also specialized in innovation funding and management.

In 2017, Dr. Lara JABBOUR has joined the French Alternative Energies and Atomic Energy Commission ([CEA](#)), where she currently heads the Flexible and Hybrid Electronics Laboratory.

Dr. Lara JABBOUR serves as [CEA Liten's](#) representative within [FDEF](#) « La Fédération de l'Électronique Française ». In 2026, she joined LOPEC as the Chair of Short Courses.
