Stand Construction & Stand Design

We share your desire to design and build unique and unforgettable stands. Together with our service partners, we combine expertise and customer service to realize your ideas.

STAND CONSTRUCTION & STAND DESIGN

These days, the ideal trade fair experience requires intelligent touchpoints for real encounters and real brand and product experiences. Physically and digitally. Our service partner meplan employs experienced teams in the areas of design, project management and marketing, who take care of all aspects of your brand presence—from the initial offer and planning through to assembly and dismantling. This is the best way to inform, entertain and activate visitors, needs-oriented and at the right time. meplan masters the entire range of the perfect trade show experience and is your expert for touchpoints.

Stand Technology

For the exterior to be convincing, the inner values have to be aligned with your goals. Smart technology is the foundation of every trade fair stand— invisible to your guests, but indispensable for smooth operations.

STAND TECHNOLOGY

Our partner companies offer the entire range of technical services, including planning and construction of suspended structures (rigging and suspension units), lighting technology and compressed air technology as well as customized telecommunications solutions. Exhibitors and visitors also benefit from one of the world's most modern network infra-structures in the field of multimedia information and communication technologies at the Messe München exhibition center.

Stand Equipment

Participating in a trade fair means intensive discussions and business deals, which are that much easier if the atmosphere is right. And that is exactly what the experts from the Stand Equipment division take care of.

STAND EQUIPMENT

Plants and rental furniture in a wide range of designs, from classic to modern, ensure a refined environment—from individual pieces to entire office, shelving and kitchen systems. Floor coverings and carpets structure the individual stand areas, while lettering on flags, banners and walls advertise your company and provide information to trade fair visitors. Lighting and audio systems emphasize the desired atmosphere at the stand—whether it’s a light show, press conference or logo projection: Sophisticated media technology offers a wide range of presentation and infotainment options.

Logistics

Being in the right place at the right time with the right cargo—
that's a daily routine for our logistics partners.

As an international company, our logistics specialists reliably organize all of your trade fair goods. A global network and many years of know-how enable maritime, land and air freight transport, and guarantee their punctual arrival in Munich. We also provide expert advice on questions relating to special transportation, safety and environmental guidelines, and customs clearance. They also take care of on-site handling—including empty container handling, temporary storage and the rental of cranes, forklifts, and work and lifting platforms for stand assembly.

Facilities at the Exhibition Center

The shorter the distance, the faster the response times. Even with the best organization, it is sometimes just not possible to prepare for all eventualities. But there are a wide range of services available directly on site to meet your needs.

FACILITIES AT THE EXHIBITION CENTER

In addition to shopping facilities in the kiosk and trade fair store, the Munich exhibition center also offers wheelchair rental, a lost-and-found office and lockers. Temporary services such as airline baggage drop-off, tourist information, the “Room of Silence” and a kindergarten are also available for some events. Several restaurants, bistros and beer gardens offer regional specialties, international cuisine and, of course, vegetarian options. Good to know: During the trade show, the respective project management team along with the Technical Exhibitor Service will relocate their workplace to the heart of the action and can be reached via the Exhibitor Service Office in the Atrium.

ACCESSIBILITY

Holders of a disabled ID card can park free of charge in the Parkhaus West parking facility on the specially signposted parking spaces close to the entrance on each level and in the event parking lots outdoors. Please exchange your parking ticket for a free exit ticket before you leave the parking facility, to be obtained at the APCOA PARKING Deutschland GmbH office on level 0 in the parking facility or directly at the barrier. The sanitary facilities for wheelchair users are located at the West, East and North Entrances, on the south sides of halls A and B, on the north sides of halls C, near the information counter and in all hall restaurants on the 1st floor.

ATM

You will find ATMs from the following providers:

EURONET:
East Entrance, North Entrance, Expressway near Hall B4 (1st floor)

IC CASH SERVICES GMBH
West Entrance, Northwest Entrance and Northeast Entrance

BAGGAGE DROP-OFF (LUFTHANSA GROUP AIRLINES)

Traveling light: In cooperation with Lufthansa (LH), we offer the option of checking in your baggage at the exhibition grounds. After checking in online for your Lufthansa flight (LH, LX, OS flight numbers), you can drop off your baggage at the signposted baggage drop-off counter no later than five hours before departure. Lufthansa will organize free baggage transport to the airport for you, including baggage drop-off at the airport. This allows you to relax and travel from the exhibition grounds to Munich Airport without having to wait at the check-in desk. When you arrive at your destination, your suitcases will be available in the baggage claim area as usual.*

CATERING

Enjoy our extensive catering facilities: a fresh cup of coffee in the morning, a snack in between or a relaxed lunch away from the hustle and bustle of the trade fair. In our cafés and bistros, in the restaurants or in the beer garden in our beautiful atrium, you can relax between appointments and let our service partners spoil you with culinary delights.

CHILDCARE

Children at the trade fair: Some trade fairs offer professional and free childcare by experienced educators for children aged 3 to 6. The offer is aimed at exhibitors and visitors.*

CONFERENCE ROOM SERVICE

We provide space for your business: The exhibition center has a variety of conference and meeting rooms that can be rented for presentations, meetings and events. The Technical Exhibitor Services team is at your disposal for the planning and realization of your event. Seating in the conference rooms can be selected individually according to your preferences—e. g. in a U-shape, as classroom-style seating or in rows. Mobile installations such as microphones / mixing console, video projection, video / TV recording, sound recording and other technical equipment can be ordered for all rooms as required.*

CONFERENCE ROOM RENTAL
Request via the project management of the respective event.

*This service is not available at every event. Please call +49 89 949-20720 in advance for more information.

FACILITIES AT THE EXHIBITION CENTER

E-MOBILITY/ CHARGING STATIONS FOR ELECTRIC CARS

Messe München combines customer service with responsibility for the environment by setting a milestone in terms of electric mobility:
80 charging stations available at the parking garage West (Park + Charge), 1 Super-charger at the ICM – International Congress Center Messe München and up to 20 mobile charging stations across the outdoor parking spaces create a comprehensive charging infrastructure that benefits the environment and conserves resources. Exhibitors and visitors can recharge their batteries here free of charge.

EXHIBITOR SERVICE OFFICE

Right by your side: Your contacts from Exhibition Management and Technical Exhibitor Services (TAS) are there for you directly on site at the trade fair. The Exhibitor Service Offices at the exhibition center are located in the atrium in front of Halls B2 and B5 and on the north side of Hall C4. Staffing and opening hours vary depending on hall occupancy.

FIRST AID

The first aid stations are located in the West and East Entrances and on the north side of Hall C4. They are staffed if the respective entrance is open for business.

PARCEL SHIPMENT & COURIER SERVICE

From A to B: For major courier services such as DHL, German Parcel, UPS and Federal Express, entry to the exhibition grounds and access to the halls is possible for delivery to the stands. Access for all others is limited to one hour and is possible only with payment of a deposit in cash at the entrance gates or at the service desks at the entrances. Parcels can be dispatched via our service partner Kühne + Nagel.

POSTAL SERVICES

Mailboxes are located in front of the West Entrance and the East Entrance. They are emptied Monday to Friday at 16:00, on Saturday at 10:30. Express and parcel post items can generally be delivered to the exhibition stands.

Consignments should be addressed as follows:

NAME OF THE FAIR

NAME OF THE EXHIBITOR

Hall + stand number, Am Messesee 2
81829 München, Germany

Delivery requires that the parcel post service provider finds a person authorized to receive parcels at the stand at the time of delivery. For legal liability reasons, Messe München GmbH does not accept consignments for exhibition stands.

FACILITIES AT THE EXHIBITION CENTER

PRAYER ROOM “ROOM OF SILENCE”

Room of silence: Our prayer room on the 1st floor of Hall B6 at the visitor Expressway is open to all denominations. It has different prayer rooms for Christian, Jewish and Islamic worshipers with an associated foot washing room. Opening hours depend on the trade fair.*

PRESS CENTER

The exhibition grounds features two press centers, located at the East and West Entrances.

PRESS CONFERENCE ROOM LEASING

We provide space for your business: The press conference room in the press center can be rented for press conferences and briefings.

Please send inquiries about room availability and scheduling to:
marcom-events@messe-muenchen.de

SECURITY SERVICE

Play it safe: Our security control center is located in the main administration building at Gate 1. It is open 24 hours a day and can be accessed both from inside and outside the main administration building. The same applies to the Messe München lost-and-found office, which is also located here.

TOBACCO PRODUCTS

Tobacco products are available in the kiosks at the West, East and North Entrances and in the trade fair store in the atrium in front of Hall B5. There are also several cigarette vending machines at the exhibition center. Note for smokers: Out of consideration and at the request of non-smoking visitors and exhibitors, Messe München requests that throughout the entire exhibition grounds, smoking be restricted to the designated smoking areas outside the halls. Thank you for your understanding.

TOURIST INFORMATION

Insider knowledge for out-of-towners: At many of our trade fairs, professional guides from Munich Tourism are available to our exhibitors and visitors. They provide information about Munich and handle short-term bookings.*

TRADE FAIR STORE

Ideally positioned: The trade fair store in the atrium in front of Hall B5 provides exhibitors and stand constructors with everything they need for their stand: painting materials, decoration materials, artwork materials, tools, small items, electrical materials, OCTANORM system components, food and beverages, catering equipment, household items, stationery, toiletries, souvenirs, tobacco products.
