electronica Young Talents Day Sponsorship - Options

One Generation. Your opportunity to position yourself

Young Talents Day is electronica's program for emerging talent—designed for students, college students, and young professionals.

What is Young Talents Day?

- Young Talents Day is a special event within electronica 2026.
- It brings the next generation of engineers, developers, and technology enthusiasts directly to the exhibition grounds—into an environment that combines learning, experiencing, and networking.
- Expansion of individual formats to two days.
- Interactive. Personal. Networking.

IHR MEHRWERT AUF EINEN BLICK:

Maximum attention – Active participation instead of passive trade show attendance

no audience wastage – highly targeted, tech-savvy audience

Early brand loyalty – Your brand shapes their first professional experiences

Emotional context – enthusiasm, learning, teamwork

Well-established concept – successfully implemented at electronica 2024.
