

September 17-18-19, 2025 | Bangalore International Exhibition Centre (BIEC), Bengaluru

" Powering India's Semiconductor Revolution: from Design to Manufacturing,"

17th Sep 2025 – Conference Centre, BIEC

Time	Session
11:00 AM – 12:00 PM	Inaugural Session & Keynote <ul style="list-style-type: none"> Welcome Address - By Messe Muenchen India Chief Guest - *Priyank M Kharge , Minister of Electronics, Information Technology & Biotechnology and Rural Development & Panchayat Raj Keynote - *Amitesh Kumar Sinha, CEO of the India Semiconductor Mission (ISM)
12:00 PM – 01:00 PM	Panel Discussion 1: Design led growth and Innovation (Technology in future - AI, deep tech applications) - Blueprints of Tomorrow: India Market Opportunities in Semiconductor Fabless Value Chain
01:00 PM – 02:00 PM	Lunch & Networking
02:00 PM – 03:00 PM	Fireside Chat: The CXO View– India's role in Global Semiconductor Value Chain
03:00 PM – 04:00 PM	Panel Discussion 2: Building a robust semiconductor manufacturing ecosystem- Securing Silicon: Policy, Partnerships and Preparedness in Chip manufacturing
