

## **SINGAPORE INTERNATIONAL WATER WEEK (SIWW)**

The global platform to share and co-create innovative water, coastal and flood solutions.

**SIWW: 15-19 June 2026**

**SIWW Water Expo: 16-18 June 2026**

**Sands Expo & Convention Centre  
Marina Bay Sands, Singapore**

## **WHY JOIN THE SINGAPORE INTERNATIONAL WATER WEEK (SIWW) WATER EXPO**

The SIWW Water Expo is Asia's leading platform for urban water, wastewater, coastal protection, and climate adaptation solutions.

Returning in 2026 for its 11th edition, it brings together over 24,000 global attendees and more than 500 exhibitors at Marina Bay Sands, Singapore.

As the region's most influential marketplace for water innovation, the Expo connects technology providers with government, utility, and industry leaders across ASEAN and beyond. Dedicated sectors showcase the latest advancements in treatment, digitalization, reuse, supply, and climate-resilient infrastructure.

Exhibitors gain a powerful platform to present cutting-edge solutions, generate high-quality leads, and strengthen their presence in the global water industry—driving partnerships that advance sustainable growth, water security, and climate resilience across Asia.

# SHAPE THE FUTURE OF WATER – EXHIBIT AT SIWW2026 WATER EXPO

## WHY CAN'T YOU MISS IT

- **Exhibitor Benefits**

Generate high-quality leads, showcase and launch innovations, and position your brand as a market leader—supported by targeted visitor profiles and business-focused stages designed for solution pitches, product launches, and strategic announcements.

- **Asia's Leading Water Platform**

Connects global innovators with decision-makers from utilities, cities, industry, and government—uniting conference and exhibition for seamless knowledge and business exchange.

- **Maximum Brand Visibility**

Strong international media presence and Visibility through international media and SIWW's communication channels, amplifying brand presence before, during, and after the show.

- **High-Value Decision-Maker**

Direct engagement with top-level stakeholders from public agencies, utilities, and global industries. Integrated conference and expo ecosystem enabling exhibitors to engage with thought leaders, researchers, and policymakers in one place.

- **Buyer Benefits:** A one-stop marketplace to efficiently discover cutting-edge water and climate solutions, source qualified global suppliers, and build strategic partnerships—supported by direct access to expert insights, practical technologies, and industry-leading knowledge exchange.

## SHOWCASE YOUR INNOVATIONS WHERE POLICY, INDUSTRY AND INVESTMENT INTERSECT

### LEADERS AND OPERATORS SHAPING THE WATER SECTOR

- **Water Utilities & Agencies**

Municipal water solutions including AI and digitalization, water and resource circularity, nexus approaches, treatment, reuse and desalination technologies, network management, and used water management.

- **Governments & Cities**

Innovative approaches to coastal and flood resilience, including flood risk assessment, adaptive land-use planning, nature-based solutions, flood mitigation, disaster recovery, community resilience, and adaptation financing.

- **Industrial Water Users & Economic Zone Operators**

State-of-the-art industrial water innovations such as zero liquid discharge, ultrapure water, water reuse, real-time sensors and automation, pollution control, and sustainable water management practices.
