International Pavilion 2025

The International Pavilion is a measure, launched in 2019 by the LASER WORLD OF PHOTONICS INDIA management of Messe München, to support companies from countries from all over the world to gain access to the Indian market.

This offer addresses exclusively to companies, which do not have the opportunity to take part in a national or regional pavilion and are not granted governmental support from their own country/region.

Your benefits

- ✓ Step into the promising Indian Laser market
- ✓ Present your company at the India's platform for laser and optical technologies — Components, Systems and Applications
- ✓ Enjoy easy first steps in the Indian market in the frame of the International Pavilion
- ✓ Take advantage of our costs-efficient offer and exclusive package
- ✓ Increase your visibility under the branded roof of the International Pavilion
- ✓ Count on our comprehensive and individual support before and during the shows

The design
