- The above perspective is for reference only. The construction will be executed on a case-by-case basis.
- **Shell scheme exhibitors shall not modify the booth construction, including painting, sticking, nailing and drilling, without the consent of the organizer.** Exhibitors will have to make good of any damages or losses. A written approval from the organizer is required if the modification is necessary. All relating expenses shall be borne by the exhibitors.
- **No lighting fixture is allowed to be connected by shell scheme exhibitors. For any result caused by that illegal behavior, such as power tripping, short circuit, wire burning and electric box broken, the exhibitors should take all responsibilities and compensate for losses.**
- **Socket is not for lighting use, but for electricity supply of low power equipment only, which is lower than the maximum power of socket. For high power equipments, please order power supply additionally.**
- **The multinomial sockets are not allowed to use so as to avoid the short circuit due to the overload.**
- **Shell scheme exhibitors shall not change the booth type to raw space without written approval from the organizer.**
- The organizer reserves the right of slight changes to the booth specification.
- Please declare in advance if your exhibits shall be in place before the construction of shell scheme booth. Normally shell scheme booth is built orderly according to onsite situation and completed 1 day before the exhibition. The furniture is ready for shell scheme booth in the afternoon of 2<sup>nd</sup> construction day.
- If the exhibitor uses non-environmentally friendly materials (e.g. KT boards) or brings own wooden furniture or adds structure onsite in shell scheme booth, the organizer and the official contractor have the right to request rectification and charge a deposit of RMB 100/sqm according to the size of booth. The deposit will be refunded after all materials and structures are recycled by the exhibitor during the dismantling period.
