How to invite visitors to the fair

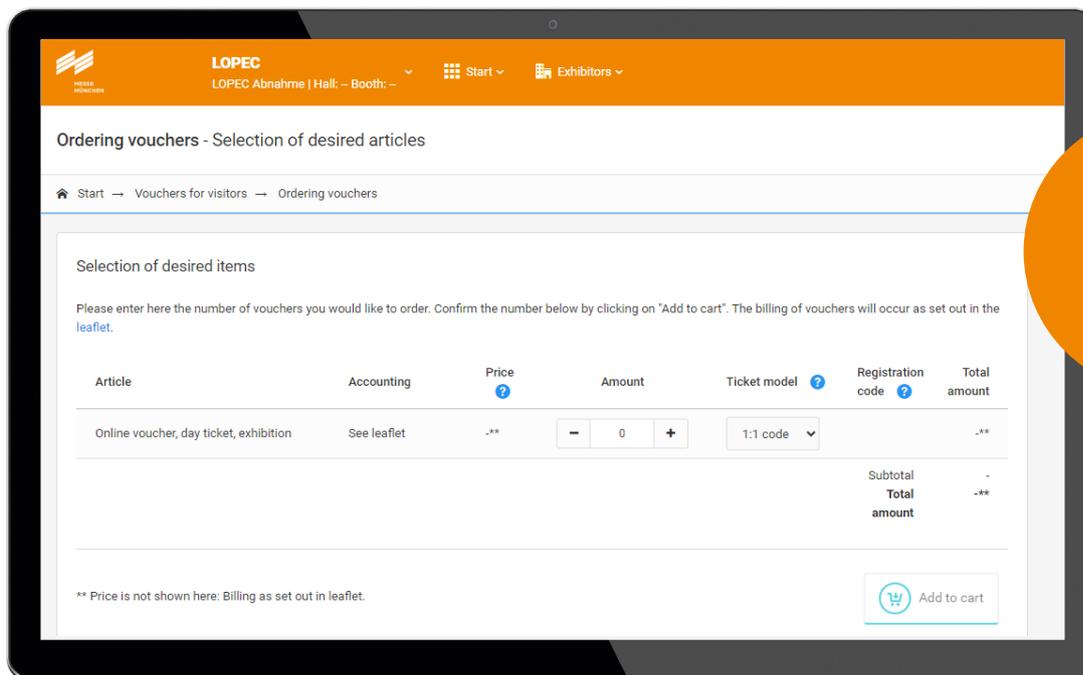

Step 1: Ordering vouchers

The main content area is titled 'Selection of desired items' and contains a table for selecting vouchers. Below the table, there is a subtotal and total amount section, and an 'Add to cart' button.

The voucher options

1. Sending online vouchers via the ticket system

Effective invitation management

The easiest and most uncomplicated way to invite customers to LOPEC with an online voucher? Simply leave it to us—or to be more precisely: to the online campaign tool of the new ticket system. A few clicks and the vouchers are sent automatically.

Maximum advantages at minimum effort:

- You use the **pre-formulated invitation e-mail** stored in the system. Thus, you do not need to create an own shipment campaign.
- The online voucher link is **automatically integrated into the e-mail** and takes the recipient directly to the registration where she/he only needs to enter her/his personal data.
- The invitation e-mail with the voucher links can be **resent at any time** thanks to the voucher management.
- The system records all assigned voucher numbers/links and **thus prevents errors.**
- Already sent vouchers can be **viewed online** at any time and you can track which vouchers have been redeemed.

2. Sending online vouchers by e-mail

Customized e-mails

To provide the best possible support for this option, we offer you a sample e-mail to invite customers. This option offers **individualization possibilities** but requires **careful handling** of the voucher numbers.

Your checklist—what you should bear in mind:

- When sending online vouchers by e-mail, you **cannot track** who you already invited. Hence, please make sure to **not assign** online voucher numbers and online voucher links **twice.**
- Everything your clients need to know for redemption you will find in our customizable **sample mail to invite customers.**
