

# analytica Vietnam

April 2 - 4, 2025 | Saigon Exhibition & Convention Center | Ho Chi Minh City

8th International Leading Trade Fair for Laboratory Technology, Analysis, Biotechnology and Diagnostics

## Be part of **analytica Vietnam 2025** **CONTRACT LAB PAVILION**

**Deadline: 29th November 2024**

We are excited to announce a unique opportunity for laboratories operating in the analysis and testing field in Vietnam. To support the growth of this vital sector, the organizing committee of analytica Vietnam has developed a **Special Booth Package**. This initiative is designed to give both domestic and international laboratories the chance to make their debut at Vietnam's largest specialized exhibition.

Laboratories play a pivotal role in advancing Vietnam's Analysis and Testing industry. Their presence at analytica Vietnam is highly anticipated by attendees, offering a fresh perspective and adding significant value to the event.

This special booth package is specifically tailored to help domestic laboratories establish their presence at an international level through analytica Vietnam. The package is available exclusively to the units listed below:

- **Service Laboratory**
- **Universities and research institutes**
- **Technology transfer center**
- **Inspection/testing/calibration center**
- **Certificate/Accreditation/ISO provider**
- **Environmental monitoring center**
- **R&D department of pharmaceutical, food & beverage factory**

# ONLY EUR1000!
