INHORGENTA
MUNICH

CHOOSE FROM THESE STAND CONSTRUCTION OPTIONS

YOU CONSTRUCT YOUR OWN STAND:

You reserve the stand space of your choice and take care of constructing the stand yourself.

YOU CHOOSE A FULL-SERVICE STAND PACKAGE:

Take your pick from our fantastic all-inclusive packages, which offer you the choice between a range of stand sizes and various fittings.

You won't need to worry about setting up and dismantling your stand either, as those services are included in all of the packages. Your stand will be ready to go—at a fixed price.

DESIGN

- **Sustainable oak stand with 4 m height.**
Basic wood design Expo system full oak, made of 95 × 95 mm cross-section oak stands and oak frames grooved and milled: all metal connections with stainless steel bolts not visibly milled and mounted.
- **1 m² cabinet with curtain**
Curtain colors: black, grey, blue and white.

- **Lighting:**
Up to 29 m² 2 × LED Highbay depth spotlights (floodlights) black, 12,220 lm version, 110W I 90° 850, L / W / H: 409 × 290 × 145 mm
Then one additional floodlight per 10 m² included.
- **Signage:**
A back-wall surface is printed with environmentally friendly Decolight B1 foil, equipped with textile tarpaulin and lip piping system, digital printing with data provided by the customer.
- **Power:**
3kW electrical connection with fuse box.

- **Carpet:**
Standard rep textile, black or grey
Raised floor with aluminum edging.
The carpet color can be changed at extra charge.
- **Furniture:**
Furniture is not included in the stand package. If interested, we can send you a catalog with furniture suitable for this stand type.

Additional costs occur for row stands.
The Oak stand type is limited to quantity.
