Network. Understand. Change.

Women bring new perspectives – men can actively strengthen careers as allies. Together, we can create more diversity, innovation, and equal opportunities.

Program highlights:

- Women network differently
- How to be a male ally
- Panel discussion on career advancement, diversity, and flexible working arrangements tailored to life stages, among others

Starting at 18:00, we cordially invite you to a **networking aperitif at Clay's Restaurant in Hall A4.**

Be there – for a strong, sustainable industry.
