About IFAT Africa

Growing consistently since its debut in 2015, IFAT Africa - the leading trade fair in Southern Africa for water, sewage, refuse and recycling, has seen key role players and leaders in the industry. The fair provides solutions in the environmental technology sector.

Southern Africa has a unique set of environmental challenges and IFAT Africa creates the perfect platform for these

challenges to be addressed, making it an event not to be missed by the industry.

The next edition which will be held from July 8-10, 2025 at Gallagher Convention Centre in Johannesburg, promises once again to showcase high quality exhibitors and visitors. In addition, the trade show will feature a top-class supporting program, CPD accredited masterclasses and exceptional networking opportunities.

Exhibitors testimonial - IFAT Africa 2023

All industry stakeholders converge here. It is an important event for South Africa, as well as the Southern African and SADC regions. The industry understands all of the challenges that we are facing and are here to explore solutions. It is valuable to see and experience the solutions on offer and to have these important conversations.

Mpendulo Ginindza,
President,
Institute of Waste Management of Southern Africa (IWMSA)

IFAT Africa is very important to Wilo worldwide, and we get extensively involved in IFAT around the world. In South Africa, it's been a good exhibition for us, with good quality visitors that are relevant to the industry. Visitors are prioritising energy efficient solutions, and for Wilo this is right down our alley as we have many pumping solutions that are best in class when it comes to efficiencies.

Gavin Bruggen,
Managing Director,
Wilo Southern Africa

The experience at the expo has been great. It's such a pleasure to see the advancements and innovation in technology, with a lot of green technology and products also coming through. A top trend we are seeing in the market is a huge move to focus on sustainability and green solutions.

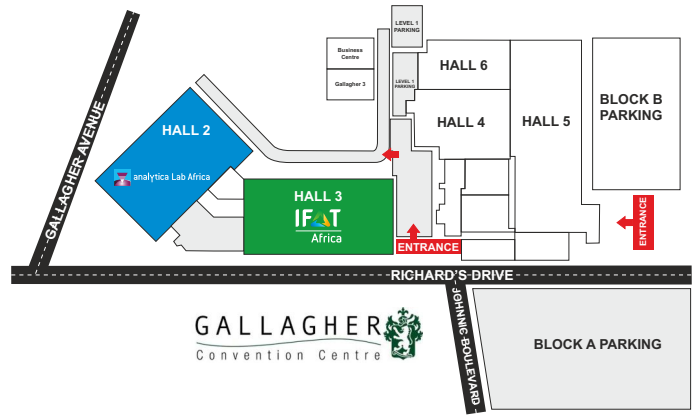

Nick Mannie,
Managing Director,
Dolphin Coast Landfill Management (DCLM)

About the venue

Gallagher Convention Centre is the premier event venue in Gauteng. Established in 1993, Gallagher is a benchmark for the events industry.

The 32-hectare property offers 27 multi-purpose venues which cater to a variety of events such as conferences, dinners, luncheons, cocktails, exhibitions and private events. Gallagher Convention Centre offer unmatched service and quality.

Conveniently located in Midrand, between Johannesburg and Pretoria, Gallagher is known for its distinctive character, style and superior service offering.

IFAT Worldwide

Messe München not only demonstrates its considerable expertise in organizing environmental technology trade shows with the world's leading trade fair IFAT Munich. Other international events include IE expo China in Shanghai, IE expo Chengdu in Chengdu, IE expo Guangzhou in Guangzhou, IE expo Shenzhen in Shenzhen, IFAT Africa in Johannesburg, IFAT Eurasia in Istanbul, IFAT India in Mumbai, IFAT Delhi in New Delhi, IFAT Brasil in São Paulo, and Singapore International Water Week (SIWW) in Singapore. Together, the ten IFAT events form the world's leading network for environmental technologies.
