Europe's Property Partners at EXPO REAL Asia Pacific

The Event to Accelerate Real Estate and Infrastructure Development

Why EXPO REAL Asia Pacific?

As Europe's real estate sector seeks to expand its global footprint, the **Asia Pacific region** stands out as one of the most dynamic, fast-growing, and opportunity-rich markets worldwide.

EXPO REAL Asia Pacific 2026—the new business platform for urban development, real estate, infrastructure and investment across the region—offers the ideal gateway for European companies to forge new partnerships, connect with key decision-makers, and position themselves at the forefront of future growth.

The regional outlook is highly promising: according to the Asian Development Bank, urban populations across Asia Pacific are set to increase significantly, requiring annual infrastructure investments of US\$ 1.7 trillion through 2030.

Join Europe's Property Partners Pavilion at EXPO REAL Asia Pacific 2026—your gateway to the Asia Pacific real estate market

Organized by MMI Asia and held alongside the World Cities Summit, EXPO REAL Asia Pacific is poised to become the **premier international meeting point** for the industry in the region.

Set in Singapore, the ideal hub for real estate and infrastructure investment, the trade fair brings together cities, regions, developers, investors, financial institutions and service providers from across the real estate value chain in one powerful, focused environment.

The European Pavilion offers a smart, **turnkey solution** for companies headquartered in Europe looking to explore and enter the Asia Pacific market with maximum impact and minimal effort.
