bauma CHINA – This Trade Fair is Asia's largest and most important event for the construction industry. Since the first bauma CHINA was held in 2002 the show kept growing continuously. bauma CHINA is the gateway for international enterprises to the Chinese market and for Chinese enterprises to global markets.

» For us, bauma CHINA is the largest construction machinery exhibition in the Asian-Pacific region. Through such a platform, we can further enhance our brand image. «

Zhou Yiping, Vice President of Corporate Communication of Volvo Construction Equipment Investment Co., Ltd., China

» bauma CHINA 2018 was very successful. It has made history in many aspects: the number of exhibitors, the exhibition space and the total volume of orders made on site. The exhibitors have especially benefited and felt the enthusiasm of users and their expectations for the future. «

Qi Jun, Chairman of China Construction Machinery Association, China
